

PUEBLO ROCKHOUNDS

FIELD TRIP and CLASS RULES

All field trips and classes are open to members of the Pueblo Rockhounds, the Columbine Gem and Mineral Society and the Canon City Geology Club.

CLASSES are considered field trips for attendance and liability reasons and are covered by the Arkansas River Geology Group (ARGG) Field Trip Assumption of Risk, Waiver of Liability, Covenant not to Sue and Agreement to Indemnify and Hold Harmless Document.

All participants of field trips and classes are required to sign a current Arkansas River Geology Group (ARGG) Field Trip Assumption of Risk, Waiver of Liability, Covenant not to Sue and Agreement to Indemnify and Hold Harmless Document. This document is also required for minor children (under the age of 18) of club members, signed by the parent or legal guardian. A member may bring a minor(s), not included in the member's membership, on a field trip providing the minor(s) parent or legal guardian completes and signs an Arkansas River Geology Group (ARGG) Field Trip Assumption of Risk, Waiver of Liability, Covenant not to Sue and Agreement to Indemnify and Hold Harmless Document, listing the minor(s) name(s). In addition, the minor(s) must be under the supervision of the club member at all times. ADULT GUESTS are not permitted on field trips due to liability issues.

Field Trip and Class participants must follow the instructions of the field trip or class leaders at all times. Failure to do so may result in the participant being banned from future field trips or classes.

MEMBERSHIP CARDS serve as identification; carry it with you on field trips. Members are required to sign up for Field Trips; notify the field trip leader(s) if they decide to not attend after signing up and if they need to leave the field trip site early.

PETS are not allowed on field trips on private property.

RETURNING TO FIELD TRIP SITES: When a field trip takes place on private property, club members may not return to the site without the explicit permission and authorization from the land or claim owner(s).

COLLECTING: Collecting specimens is for non-commercial personal use.
